The Spa offers a wide range of luxurious, high performance products, such as Germaine De Capuccini, HydraFacial, IMAGE Skin Care, and NEOM ensuring only the very best quality and care for our members.

Our Spa menu offers treatments for everyone in the family, including treatments for men and teenagers.

We invite members to experience our discreet, yet luxurious bespoke service, ensuring an overall feeling of balance and wellbeing.

We look forward to welcoming you into the Spa soon.

The Spa Team

SPA POLICIES

*We strongly advise you not to have any heat treatment or exercise, swim or sunbathe 4 hours before or 48 hours after waxing. Please ensure skin is freshly cleansed prior to treatment.
**A test to safeguard against allergic reaction is required 48 hours prior to your first tint or LVL with us.
*** Please note these treatments require skin preparation prior to booking in the treatment, for more information on this please contact the Spa.

CANCELLATION POLICY

Clients who wish to change or cancel an appointment are requested to provide a minimum of 24 hours' notice or the full cost of the treatment will be charged unless the full appointment time appointment can be filled.

ARRIVAL TIME

Please arrive promptly for your appointment as it may not be possible to accommodate late arrivals. Late-comers will incur the full fee for shortened treatments.

COURSE BOOKINGS

All our treatments are available to purchase in a course form at a reduced cost. To reinforce the beneficial effects we recommend that all courses are completed within six months.

REFUNDS

All products, treatments and courses purchased from the Spa are non–refundable except in exceptional circumstances including but not limited to ill health, cancellation of membership or adverse reaction.

HEALTH & SAFETY

On your first visit to the Spa you will be asked to fill out a medical questionnaire so we are able to tailor-make the treatment for you. It is vitally important that you inform your therapist if you believe you may be pregnant, are undergoing treatment or taking prescribed medication. Re-hydration is an important part of the Spa therapy, we therefore recommend that you drink plenty of water after your treatment.

GERMAINE DE CAPUCCINI

FACIAL THERAPIES

Dermatech Smart Pro – Microneedling
Dermatech Smart Pro – commonly known as microneedling is a cosmetic skin treatment that uses tiny, sterile needles to create controlled micro-injuries in the skin. The tiny punctures stimulate your body's natural healing process, boosting collagen and elastin production — the proteins that keep skin firm, smooth, and youthful. Microneedling can be used to treat; fine lines & wrinkles, acne scarring, large pores, uneven skin texture, sun damage, stretch marks, hyperpigmentation, and mild skin laxity. Following a consultation, your therapist will create a tailored treatment based on your skin type and concern and over several week your skin becomes smoother, firmer, and more even toned with an improved surface texture.*
*Contraindications apply. Please contact the Spa for further details.
Initial treatment £195 which includes recommended aftercare | Follow up appointment £149

Timexpert Hydraluronic Moisturising & Plumping Facial
A new dimension of hydration is delivered to the skin through exclusive ingredient and formulations which plump and add volume. Hyaluronic Acid (HA) is released to the deepest layers of the skin, allowing recovery, and preserving of naturally occurring HA in the skin. Whilst the slow-release technology delivers and retains moisture reserves for longer lasting effects. This therapy is elevated with a unique facial massage tool that works as a cooling method across the facial contours to actively plump lines. A cosmetic alternative to aesthetic injections with elevated improvement in the appearance of lines, wrinkles, and hydration levels of the skin*. Leaving your treatment with a mask applied to deeply hydrate and smooth the skin as your day continues .*Self-assessment test on 43 individuals after 1 session. Suitable for those undergoing oncology treatments.
55 minutes | £89.00

Timexpert Wrink less
Exclusive technological innovation designed to fight all types of wrinkles, improving the elasticity and general appearance of the skin. Bio-fermented ingredients and peptide fragments stimulate collagen production from skin cells to reduce wrinkles and restore "elasticity", making the skin more elastic from within. Four marine and plant ingredients work in synergy to defend our skin against the main problem of ageing: wrinkles. Collagen and elastin boosters have a "Botox-like" action and an immediate and long-lasting plumping effect.
Visible results in 1 hour.
97% 'plumping' effect. Wrinkles are smoothed.
100% skin looks and feels more elastic.
*Effectiveness test, opinion of 30 volunteers (aged 34-69) after a single professional treatment.

GERMAINE DE CAPUCCINI

FACIAL WELLNESS THERAPIES

St George's Signature Facial
Our signature facial is designed to revitalise the skin, using highly sensory massage techniques. A soothing massage using Obsidian and Onyx ritual stones, known for their natural healing properties. Taken from the volcanic lands of Mexico, Obsidian stones create negative ions which help to rebalance the positive ions caused by pollution, poor diet, and stress. Negative ions are an essential element to health. They increase oxygen flow to the brain giving increased mental and physical energy. White Onyx is a naturally dense stone which is cooling on the body and has an anti-inflammatory effect. This massage combines warm pindas and the ritual stones to soothe and relax the mind, body and soul, whilst boosting the blood flow and improving oxygenation to the skin issues.
