We all want children to feel safe and confident in and around water. Learning to swim is much more than a hobby or after-school activity; it is an essential life skill that builds confidence, develops water awareness, and may one day save a life.

At St George's Hill LTC, our teachers are passionate about helping swimmers of all ages become confident and safe in the water. From a swimmer's first splash through to more advanced skills, every lesson is designed to build knowledge, improve technique, and develop confidence that lasts a lifetime.

Swimming Gala - Saturday 10th October

Whether you're diving in to compete, cheering from the poolside, or simply enjoying the atmosphere, it's a wonderful afternoon for junior members of all ages. Expect a relaxed, family-friendly event with light-hearted races, friendly competition, and plenty of fun! No pressure, just a chance to come together and celebrate our Club community.
